POSITION POSTING

Graduate Professional Assistant
Information Technology Specialist
University Life Technology Services

UNIVERSITY LIFE:
EVERY STUDENT SUCCEEDS

Mission:
University Life cares for the whole student by promoting inclusive well-being and fostering lifelong learning – preparing ethical leaders for the world.

Values:
TOGETHER, we achieve our mission through an unwavering commitment to our values:

Inclusion and Equity

• We are committed to cultivating an environment of engagement, connection, and belonging that is respectful and fair for everyone.

Leadership for Positive Change

• We are committed to cultivating leaders who critically examine and understand the potential impact of their decisions and act ethically.

Well-Being

• We are committed to cultivating an environment of understanding and fulfillment of both individual and community well-being that promotes purpose, vitality, engagement, and resilience.

Collaborative Community

• We are committed to cultivating a supportive network of colleagues that shares ideas, learns and creates together, and develops authentic connections.

Strategic Transformation

• We are committed to dynamic action in creating meaningful solutions to anticipate and meet the needs of an ever-changing community.
Mission Statement
University Life Technology Services provides technology support, guidance and training to the division of University Life. We seek to build collaborative relationships with our customers and to deliver complete business solutions that streamline processes, eliminate redundancies, and foster growth. Technology Services offers a variety of technical services that support and advance both Divisional and University-wide goals.

Function:
The position will assist University Life Technology Services staff with software and hardware requests. In addition, this role will perform inventory management, devices updates, process documentation, Vonage reports, Vonage issues, and other tasks as delegated.

Required Skills/Qualifications:
- Must be enrolled in one of George Mason University’s Graduate Programs – Business/Computer Science/Economics/Information Technology or related program (not provisional admission)
- Must be reliable, responsible, self-motivated, flexible, dedicated, and considerate
- Must possess strong written and verbal communication skills
- Must have the ability to focus on and prioritize tasks
- Must have an ability to relate to people from diverse backgrounds
- Must exhibit exceptional professionalism and a strong work ethic
- Must be available and accessible for the time commitment involved
- Problem-solving skills and attention to detail

Position Responsibilities:
- Assist users with hardware and software issues
- Assist with the development, implementation, and maintenance of department-specific processes and procedure
- Provide guidance and direction for implementation of new features or processes within software
- Perform routine maintenance of the systems as necessary
- Setup, configure and maintain required peripherals (i.e. printers and scanners) to support operations
- Maintain documentation and accountability of IT assets
- Develop and provide training for staff on software use and function
- Performing other platform management duties as assigned
- Manage and Complete small to midsize IT related projects within the department

Time Commitments:
The Graduate Professional Assistant position is designed for a 20 hour per week work commitment. Ideally, this position will work 4 hours per weekday, sometime between the hours of 8:30 and 5pm each day. Slight adjustments needed to accommodate your course schedule are possible.

Compensation:
- The Graduate Professional Assistant position will be paid a stipend of:
  - $18,522.00, will be paid on the 1st and 16th of the month for the duration of employment contract period;
- Other terms for the position contract include:
  - Tuition grant of up to the 6 graduate credits at the equivalent in-state rate, not to exceed $4,800.00 per semester; master’s degree students (with exception of MFA students) who are out-of-state do not receive in-state tuition rates;
  - Participate in the University Life Graduate Staff Academy each month, as class schedule allows;
- The GPA position is a 9-month contract, August 25, 2023 – May 24, 2024, with the possibility of
renewal for a second academic year.

- All information, including rules and regulations, regarding all graduate assistantship can be located on the Provost Graduate Division website: https://graduate.gmu.edu/financial-support/assistantships-lecturers-oncampusemployment

**To apply:**

To apply for this position, please submit a letter of interest, resume, and three professional references by 11:59PM on Tuesday, July 9, 2024 to:
